Olympia, WA 98501-1091

Dear Dr Koenings:

We want to thank you very much for your participation and the participation of your staff in the People for Salmon Conference on Volunteer Monitoring for Salmon Habitat Restoration last Thursday. Based on the verbal comments and the high marks we received on the evaluation forms, the conference was a great success. This is a direct reflection of the tremendous contribution your agency made. We could not have done it without you.

People for Salmon looks forward to future partnering opportunities with your agency and your staff as we work together to restore salmon habitat in the Northwest.

Thank you!

Chantal Stevens
Executive Director
